Manly Scenic Walkway at North Harbour Reserve (Manly Council)

North Head Walk

Starting at Manly Wharf (F5), this walk takes you to the Fairfax Lookout at North Head. Proceed via The Corso, Manly and Shelly beaches, the Sydney Harbour National Park track to Blue Fish Road and the Sydney Harbour Federation Trust track to the Gatehouse Visitor Centre. Take one of two routes south, exiting at the stile near the North Fort entrance before proceeding along the Scenic Drive to the Fairfax Lookout (H7).

Return to the Trust land via the stile and take the alternate route to the Gatehouse Visitor Centre. Note the route to the former Quarantine Station (access by shuttle bus only). Proceed to Collins Beach Road and to Collins Beach, Little Manly Point Reserve and Manly Wharf.

Note that a large part of North Head is within Sydney Harbour National Park and the North Head Sanctuary. All flora and fauna are protected. Domestic animals are not permitted. Walkers should keep to the designated route, carry plenty of water, obey all signage and proceed only during daylight hours. There are no public toilets south of the Gatehouse Visitor Centre. Check current route and timetable for bus 135.

5hr walking 11km

Go to the following websites for information about tours of the North Head Sanctuary (former School of Artillery) www.harbourtrust.gov.au, North Fort www.northfort.org.au and Q-Station (former Quarantine Station) www.qstation.com.au

Manly Scenic Walkway- Manly to the Spit

Commencing at Manly Wharf (F5), the walk proceeds west around Manly Cove past the Art Gallery & Museum and Oceanworld to North Harbour Reserve. At Forty Baskets Beach enter Sydney Harbour National Park, which includes Reef Beach, Dobroyd Head and Grotto Point. The route traverses Clontarf beach and Fisher Bay to the Spit Bridge (C5).

To get a bus back to Manly Wharf, cross under the Spit Bridge and proceed north to the bus stop for buses 143, 144 and 169. For City or Chatswood buses cross the Bridge on the eastern side to the bus stop (C6).

Alternatively, take the overland route back to Manly via Gallipoli steps, New Street West to North Harbour Reserve and the Fairlight Walk to Manly Wharf.

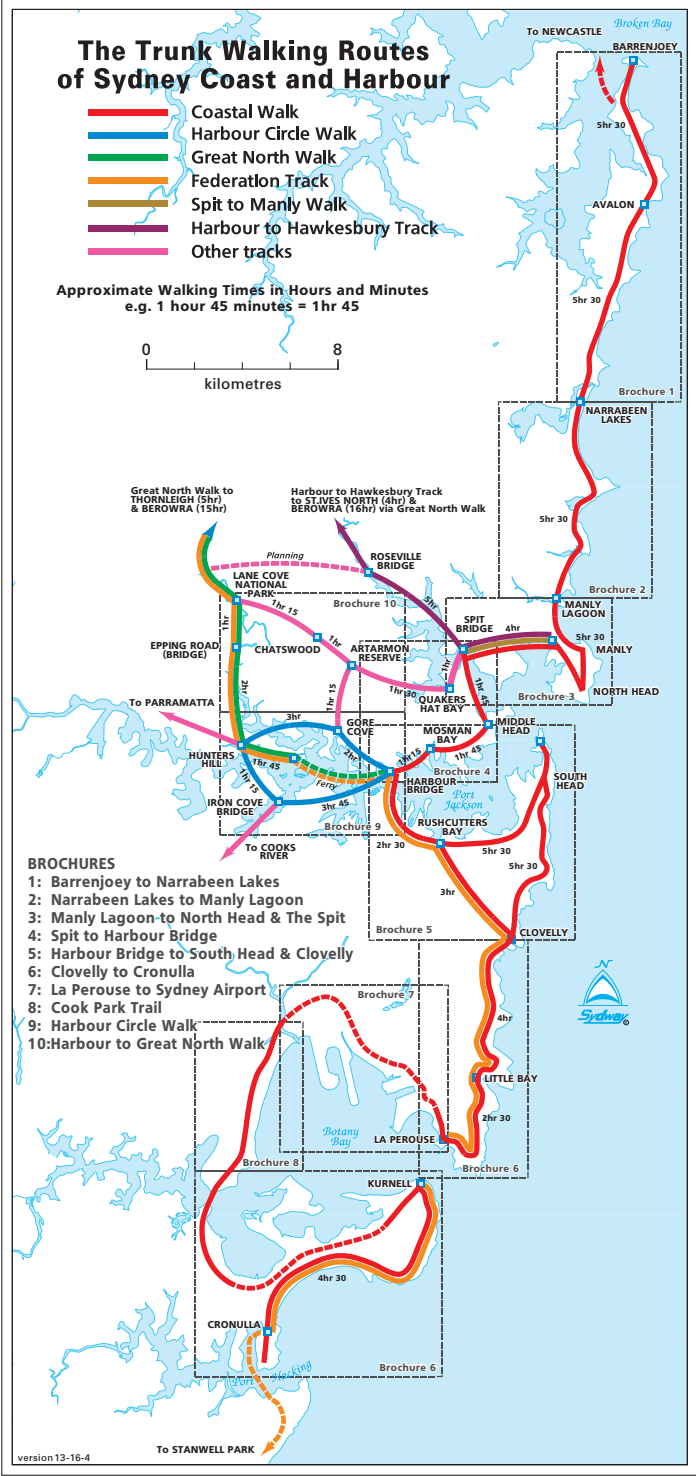

Obtain brochure Manly Scenic Walkway from Manly Visitor Information Centre near the wharf, or from www.manly.nsw.gov.au >Attractions>Walking Tracks>Manly Scenic Walkways-Brochure.

4hr walking one way 10km

As the map shows, with the interconnecting red and green routes, there are many walks on offer. Walks may be short or long, or follow any route, according to individual choice.

Manly Lagoon to North Head and The Spit

This magnificent walk features the famous Manly Beach, Shelly Beach, and North Head which dominates the entrance to Sydney Harbour. It also links to the popular Manly Scenic Walkway between Manly Cove and The Spit.

The walk forms part of one of the world's great urban coastal walks, connecting Broken Bay in Sydney's north to Port Hacking in the south, traversing rugged headlands, sweeping beaches, lagoons, bushland, and the bays and harbours of coastal Sydney.

This map covers the route from Manly Lagoon to Manly wharf via North Head. Two companion maps, *Barrenjoey to Narrabeen Lakes* and *Narrabeen Lakes to Manly Lagoon*, complete the Northern Beaches section, while two additional maps cover the continuation to Cronulla. For these and additional regional maps visit www.walkingcoastalsydney.com.au, coastal and harbour Councils or relevant visitor centres.

The Sydney coastal walk links by ferry to Bouddi and Brisbane Water National Parks in the north and Royal National Park in the south.

The coastal route and its harbour link are marked red on the map, with loop walks and links marked green.

Loop Walks and Links

There are several loop walks, including the bushland circular track through Manly Dam Reserve and tracks around Manly and Curl Curl Lagoons. Green space corridors and selected streets are incorporated into an integrated network of walks connecting to the coast and the harbour. This network can be used to create walks of varying lengths and times.

Personal Care

Be aware that you are responsible for your own safety and that of any child with you. Take care and enjoy your walk.

The walks require average fitness, except for full-day walks which require above-average fitness and stamina. There is a wide variety of pathway conditions and terrain, including bush tracks, uneven ground, footpaths, beaches, rocks, steps and steep hills. Observe official safety, track and road signs at all times. Keep well back from cliff edges and be careful crossing roads.

Wear a hat and good walking shoes, use sunscreen and carry water. You will need to drink regularly, particularly in summer; as much of the route is without shade. Although cold drinks can often be bought along the way, this cannot always be relied on. Take a comfortable backpack and, if you wish, swimmers and a towel. Only swim between the flags on patrolled beaches.

Carry a mobile phone. In case of emergency dial 000 or 112 from GSM mobile.

Public Transport

Public transport is readily available at regular intervals along the way. Relevant bus stops with route numbers are marked on the map. This allows considerable flexibility when deciding where to begin and end your walk.

Ferries operate regularly between Circular Quay and Manly Wharf. Major bus interchanges are at Manly Wharf (F5) and Warringah Mall (D2).

The following bus routes from Manly Wharf are particularly useful: 155 & 156 for Mona Vale, 136 & 139 for the local coast, 136, 143 & 144 to Chatswood, and 132, 142 & 169 for Manly Dam Reserve.

For public transport timetables, planning a walk, and for maps, including the Northern Region Bus Guide:

Infoline Tel: 131-500 www.131500.info Each bus stop has its own number. For the next bus due ring 131500 and follow the prompts.

Taxis and water taxis can also be useful. For a taxi call Manly Cabs on 131 668 and for water taxi information call connect 12456. Manly Council runs a free Hop, Skip & Jump Community bus – timetable and route information from the Manly Visitor Information Centre.

Walking Manly

The choices of walks are many and varied. The following three walks highlight the significant natural and cultural diversity of the Manly region, the traditional land of the Guringai people.

Useful information about each walk can be found at the Manly and Warringah Councils' websites (for relevant sections see 'Manly Information' above). See also the books listed under 'Further Information' below.

Dogs on a lead are welcome on walks except on beaches, in National Parks, and other sensitive areas, including Manly Peace Park and Federation Point wildlife protection areas. Observe all official signage.

For each of the following walks, the walking times and distances are approximate.

Manly Coastal Walk

Commencing at Manly Wharf (F5), follow The Corso to the beachside Promenade. Turn north to Manly Lagoon (F3), circle the lagoon returning south via the water's edge to Manly Surf Pavilion. Ascend the stairs taking the right-hand fork to Reddall Street and proceed south to view the former St Patricks College. Descend to Bower lane and the rockpool, turning right to Shelly Beach and headland (G5). Return via Marine Pde and the Corso to Manly Wharf. Ferry from Manly Wharf to Circular Quay.

3hr walking 8km

Route Marking

A variety of local signage exists. It is expected that the following internationally recognised marking system will be introduced over time along the red routes.

Acknowledgments and Suggestions

This brochure and its companion brochures have been developed by the Walking Volunteers. They include: Jim and Therese Archibald, Bill Avery, Neil and Pamela Hardie, Phil Jenkyn, Geoff Lambert, Caroline Minogue, Ian Napier, Bill and Nedra Orme (Patrons), Don and Laura Riddell, Bruce Robertson, Leigh Shearer-Heriot, Cameron Sparks, Graham Spindler (Coordinator) and Paul Webb.

The Walking Volunteers are a group of individuals who are helping to develop a series of walking routes around Sydney Harbour, along the coastal areas of Sydney and regional links across Sydney. They believe that walking is pleasurable and healthy and a great way to enjoy the beautiful natural and cultural highlights of this City. Walking and the use of public transport are encouraged.

The Walking Volunteers have worked closely with Coastal and Harbour Councils, the Sydney Coastal Councils Group, the Department of Planning, the National Parks and Wildlife Service, the Sydney Harbour Federation Trust and the Sydney Street Directories Mapping Division.

This brochure was produced with the assistance of the Councillors and staff of Manly Council and the staff of the National Parks and Wildlife Service, the Sydney Harbour Federation Trust and Q Station. Funding was provided by all the above bodies.

The Sydney Coastal Councils Group is responsible for the coordination and management of this project, including managing the website www.walkingcoastalsydney.com.au Please inform the Group's Program Coordinator of any errors, omissions, or suggestions to improve future editions or other similar publications.
